

GREEN DIRECTORY GREEN DIRECTORY GREEN DIRECTORY

Mission:

Don't bin it, we may be able to repair it - volunteer repairers of almost anything!

What they do:

The Repair Café was set up in 2020 and is a branch of Share Salisbury

Over 20 volunteers are attached to the Café, with the enthusiasm to pass on repair skills to a younger generation. This drives the development of their 'How to... Café'.

Salisbury Repair Café can repair

Clothing/zips	Bikes/scooters	Wooden objects	Appliances	Toys
Electronics	Ornaments/Crockery	Jewellery	Books	Tools

Together with Share Salisbury, the Repair Café is part of Salisbury's emerging circular economy. There is no charge but they ask for a donation for repairs to pay for materials and rent for Repair Café.

The Repair Café is open on the first Saturday of each month. Please see website for the location. Refreshments are available for a donation while you await your repair.

New volunteers are welcome to help with any aspect of our work - sign up [here](#).
